

How much does OOP cost?

Seminar

30.05.2023 Zakharov Vladimir

Experiment

Hardware

CPU: Intel(R) Core(TM) i7-9750H CPU @ 2.60GHz

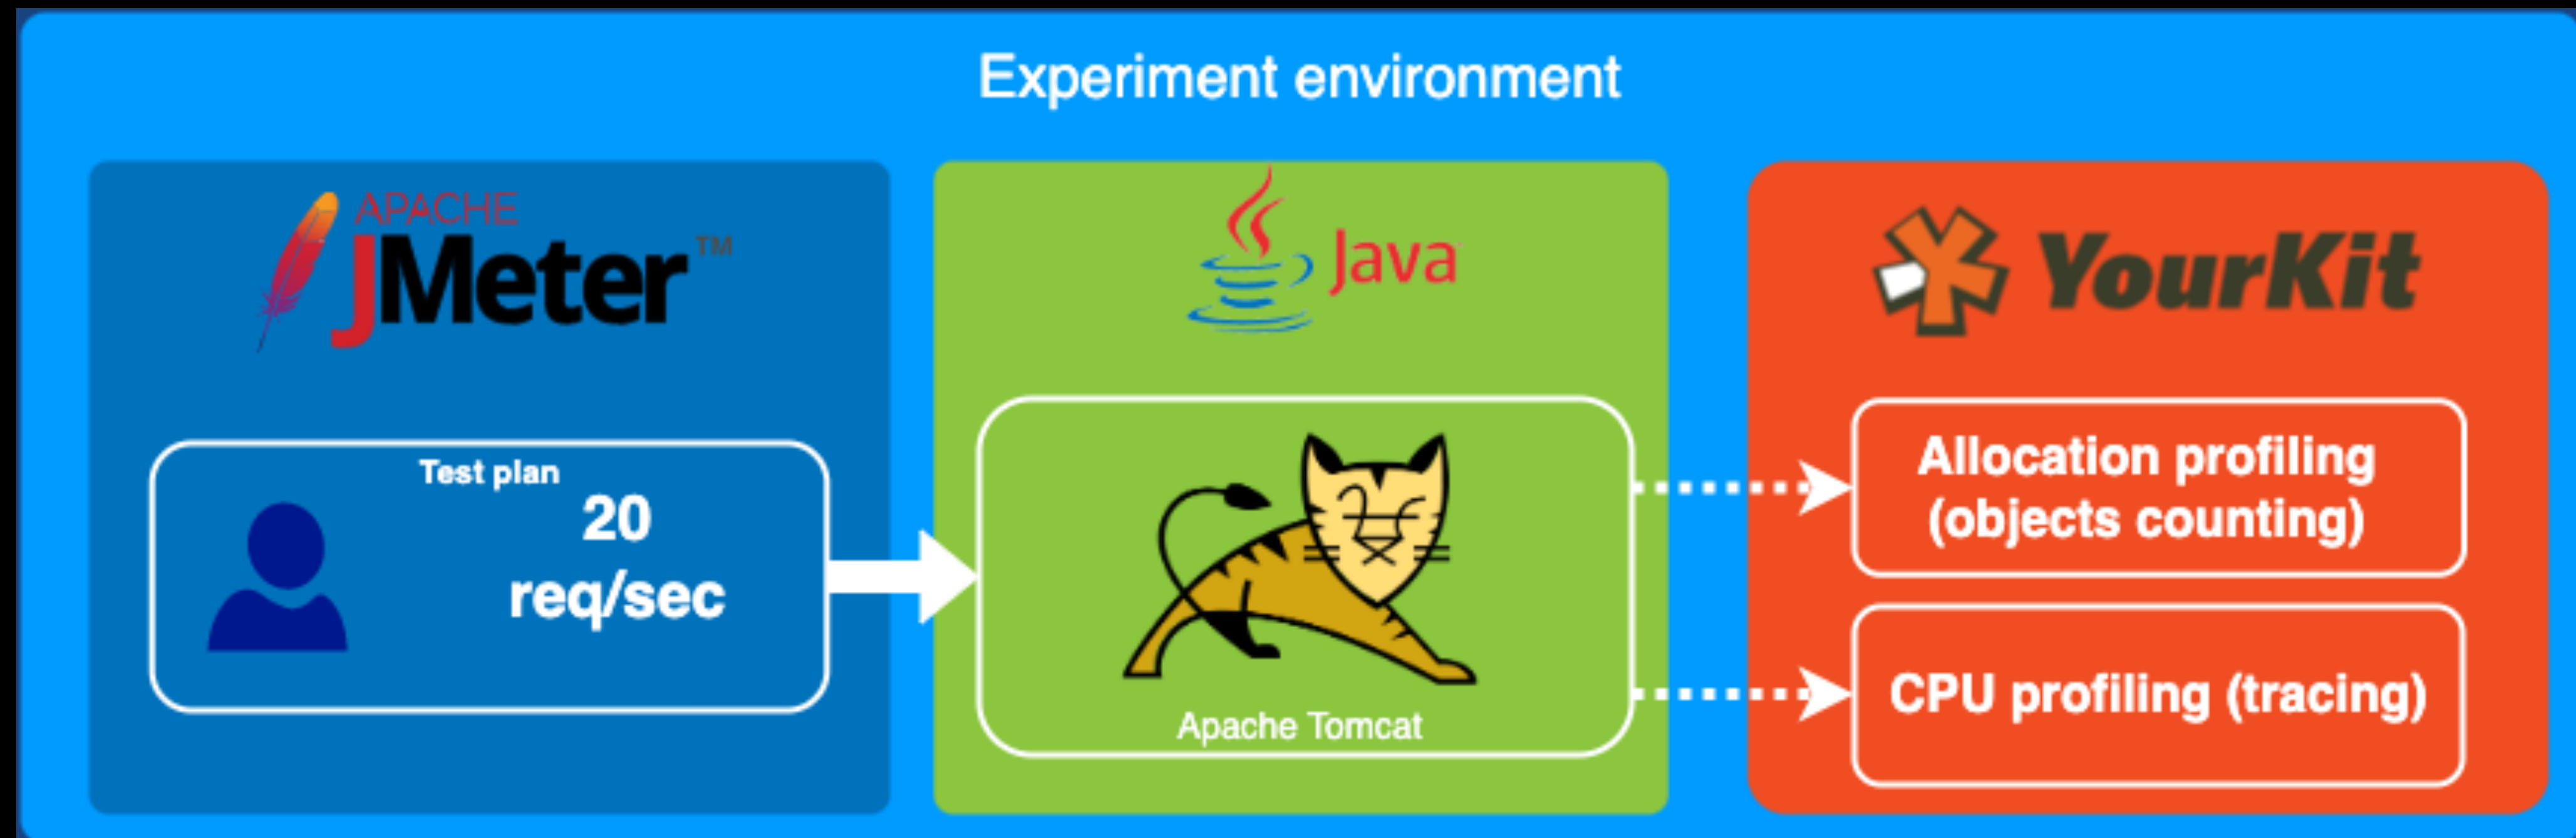

RAM: 16 GB

OS: "mac os x", version: "12.5", arch: "x86_64", family: "mac"

Java: Azul Zulu JDK 11.50.19 (11.0.12), 64-bit

Experiment Tools

- Apache JMeter <https://jmeter.apache.org>
- YourKit Profiler <https://www.yourkit.com>

Experiment

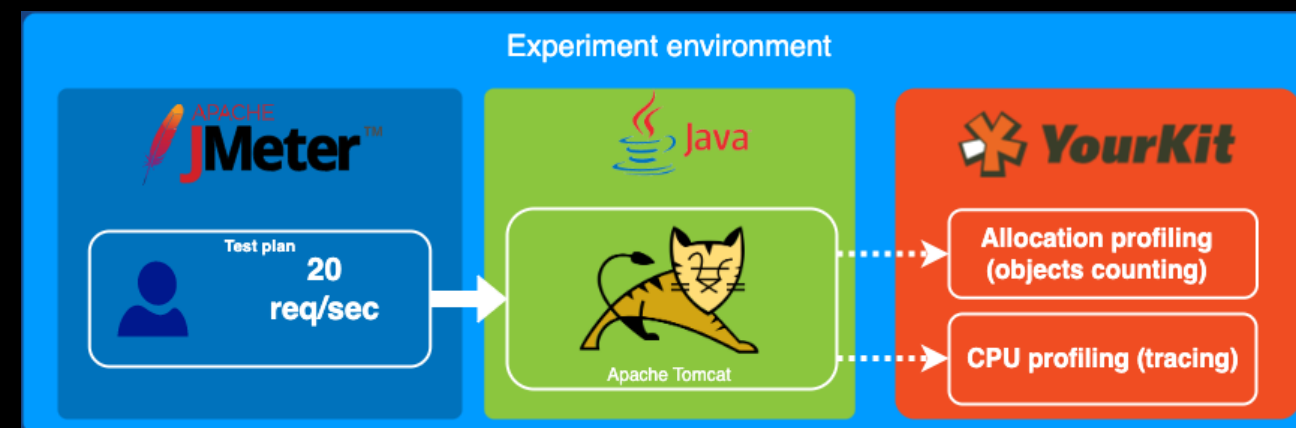

How to count static/instance methods?

- StackOverflow question: *“How to differentiate between static and instance methods using YourKit Java Profiler?”* - <https://stackoverflow.com/questions/76307975/how-to-differentiate-between-static-and-instance-methods-using-yourkit-java-prof> 0 answers
- YourKit Forum: *“How to differentiate between static and instance methods using YourKit Java Profiler?”* - <https://www.yourkit.com/forum/viewtopic.php?t=44185>

“Dear Volodya,

The profiler does not mark static methods in any way. “

Experiment Tools

CSV

org.apache.derby
org.apache.tomcat
kafka
org.springframework
org.takes
...

Sources

Apache Tomcat

- Total: 697025
- Constructors: 10432 - 1%
- Instance methods: 555410 - 80%
- Static methods: 36436 - 5%
- Not found methods: 94747 - 14%

Apache Derby

- Total: 56138367
- Constructors: 464090 - 1%
- Instance methods: 52920211 - 94%
- Static methods: 1620495 - 3%
- Not found methods: 1133571 - 2%

Spring MVC

- Total: 1045850
- Constructors: 87796 - 8%
- Instance methods: 483003 - 46%
- Static methods: 225081 - 22%
- Not found methods: 249970 - 24%

Apache Kafka

- Total: 1810372
- Constructors: 172526 - 10%
- Instance methods: 808657 - 45%
- Static methods: 108538 - 5%
- Not found methods: 720651 - 40% (Scala)

Takes

- Total: 47851
- Constructors: 20680 - 43%
- Instance methods: 7316 - 15%
- Static methods: 16445 - 35%
- Not found methods: 3410 - 7%

Total

- Total: 100%
- Constructors: 13%
- Instance methods: 56%
- Static methods: 14%
- Not found methods: 17%

What is next?

- Decrease number of **Not found methods**
- Try to write our own statistics agent
- Divide **Instance methods** (on interface methods, single instance methods and several instance methods)
- Paper
